Dear Joe,

I have been asked to write this letter on behalf of the Board of Directors and entire membership of the Essex County Dancers Incorporated Competition Team. We would like to extend our sincere thanks for an amazing Legends Live Show and very successful fundraising event for our team.

With this being the first Legends Live event hosted by our organization, we have received many positive comments and compliments, which now makes us eager to host a 2nd Annual Legends Live show in the fall of 2012. Having never hosted an event like this, we were not sure what to expect. Was the ticket price of too much? Will it sell out? Will we meet our goals? This event reduced our fundraising events from 4 smaller events to a single night with the same financial outcome as the 4 events put together, thus easing the burden of fundraising on our families.

Thank you again to you, your staff and the performers for an amazing and professional show, and we look forward to working with you and Turnkey Entertainment & Promotions next year.

Yours truly,

Gisele Hudvagner

May 27, 2011

Joe,

I'm thrilled to be able to prepare this letter, to put a few words on paper, to express our appreciation for another successful fundraising event, on behalf of the Board of Directors at Rose City Rhythms. Last year's event was a terrific show and Legends Live received many compliments of how much everyone enjoyed the fundraiser; we were ecstatic with the fact that it was a "huge hit" to all that attended. Many of our patrons and sponsors have requested to return next year and asked to be on a preferred ticket list. Our February 2011 Legends Live show exceeded our expectations with yet another successful sold-out evening of great entertainment.

Your staff is outstanding in what they do, and our committee enjoyed the professional manner in which all the hard work was conducted through every step from the early planning stages, to the performance night and right to the clean-up at the end of the event. Your expertise along the way was very useful in preparing and planning the many details of such a program. Everyone at Rose City Rhythms is looking forward to working on our next event, and I'm sure that we'll start our plans with you for our next event in just a few short months.

We hope to be able to repeat this event annually, and know that we can depend on Turnkey Entertainment for repeat success. We look forward to working with you and your group again soon. Thank you and congratulations!

Sincerely,

Frank Fernandes
